

CGA Energy Nexus & Annual Technical Conference 2024

Fuelling the Future

Technology and Innovation Roundtable

Greg Penner
Imad Khaled

CGA Energy Nexus & Annual Technical Conference 2024

Fuelling the Future

Agenda

- Operational Technologies – 30 minutes
- Efficiency Related Initiatives – 15 minutes
- Emission Reductions – 45 minutes

Operational Technologies

- SCADA / Remote Monitoring
- Crossbore related Predictive Model
- Methane Detection Technology for Smarter Gas Safety in smart homes

Efficiency Related Initiatives

- DSM programs
- Pilot projects
- Impact on system

Emission Reductions

- Policy
- Pilot projects
- Leak Detection initiatives
- Technology Gaps
