

# SaskEnergy – Randy Greggains

*Recipient –  
Lifetime Achievement Safety Leadership Award*

- Recognized by peers as a champion and mentor for safety excellence and has spent over 20 years playing a pivotal role in shaping a culture with safety as a core value
- Well-respected for years of service providing leadership within SaskEnergy Executive Team and CGA's SCOS; willingness to share knowledge and time on various committees and associations; has contributed to continuous improvements in safety management within natural gas industry
- Played an instrumental role in development of SaskEnergy's Competency Assessment Plan (CAP) Program
- A lead figure at annual Safety Stand Down Week, travelling the province to meet frontline workers and local management to discuss safety issues/listen to safety concerns
- A long-standing Ex-Officio member on internal Joint Safety, Health and Environment (SHE) Committee
- "Safety is doing the right thing; even when people aren't watching" - quote often repeated and embodied that has solidified a lasting legacy for Randy Greggains at SaskEnergy
